

Product Carbon Footprint Report

A Cradle-to-Gate Analysis for the 2024 Reporting Year

19.09.2025 v. 00

General Information

Company:	Metprint Matbaacılık Ambalaj San. ve Tic. Ltd. Şti
Address:	İkitelli Org. San. Blg. İpkas San. Sit. 3. Etap D Blok No:37 34306 Başakşehir / İstanbul

Goal:	Quantification and reporting of the greenhouse gas (GHG) emissions of Product based on a " cradle-to-gate " system boundary."		
Scope:	Direct Greenhouse Gas Emission: Energy Indirect Greenhouse Gas Emission Other Indirect Greenhouse Gas Emission		

System boundary:	Cradle-to-Gate	Base Year:	2024
Functional Unit	One kilogram (1 kg) of printed labels		
Industry per IPCC 2006:	Manufacturing	Report Year:	2024
Data collection:	Annual	frequency of the report	1
Global Warming Potential	IPCC 5th AR: CO ₂ : 1; CH ₄ : 28; N ₂ O: 265		

Carbon Footprint Results- GHG Protokol

GHG emission intensity per kg of product	3,6562-kg CO ₂ e/kg
--	--------------------------------

Public availability:	In-house	Intended use of the report:	In-house

Description of The Reporting Organization

Founded on a strong tradition of printing that dates back to the 1970s, METPRINT has grown into a reputable and forward-looking company in the printing and paper packaging industry. With a philosophy built on trust, strength drawn from experience, and a commitment to quality service, METPRINT has established itself as a reliable partner by offering competitive prices, on-time deliveries, and an uncompromising dedication to customer satisfaction.

Continuing the family legacy into its second generation, METPRINT combines decades of expertise with an innovative outlook, consistently investing in advanced technologies to deliver precise, professional, and high-value solutions. Guided by its mission to remain a stable, trustworthy, and respected institution, the company enhances its competitive edge through creative visual communication and a strong spirit of collaboration with its customers and suppliers. By merging traditional craftsmanship with modern efficiency, METPRINT ensures the right product, fast service, and lasting customer trust—always moving forward.
